We Need Garden Help! Please Help! Help!

We have been trying to keep the Church Memorial Garden and other gardens watered while Ken Linscott is recuperating. It has been really dry for the last few weeks and we are not keeping up with the task at hand. We have repaired some of the hoses and are still working on that project. All gardens excepting the two larger gardens (on soaker hoses) next to the Parish Hall are being water by a watering can at this point! We may have time Friday to get a better system working.

Also, there is concern that the new shrubs at the Rectory need to be watered as well. We have not watered there at all.

We need to purchase two new 50' hoses to help out. Would anyone be willing to donate a hose?? This would help greatly.

Do you have any time during the week to help water the gardens on a regular basis? One time a week? It takes about an hour.

Please let us know if you can help.

The “**Klean for Ken**” helpers have been doing a great job weekly. Our Church is looking great with all the help.

Thank you, thank you to all! We shall post a new signup sheet for August however;

Ken says he will be back in a couple of weeks or so.
