

There will be a two day food packaging event
at St. Andrew Lutheran Church, 175 Downeast Highway in Ellsworth

Friday, January 19 and Saturday, January 20.

This is a great opportunity for people of all ages to come together and package healthy non-perishable meals that are distributed to food pantries in Washington and Hancock Counties (including the Westside Food Pantry).

A quarter pays for one serving; \$1.50 for a package that feeds 6 people.
Our goal is at least 40,000 meals (\$10,000).
Donations are needed plus lots of volunteers for the 19th and 20th!

The volunteer goal is at least 4 assembly lines working - which is 40 - 48 people at any given time See schedule below.

We are accepting donations until the end of the day on January 20.

Checks can be made payable to St. Andrew Lutheran Church
and mailed to:

P. O. Box 145 Ellsworth, ME 04605.

The Details/Schedule...

On Friday, January 19 we will be working from noon to 6;
with noon being unload and set up time. Again, as many heavy lifters as possible for the first hour or so would be fantastic.

On Saturday, January 20 we will be working from 9 - 1 (Or noon or 2 depending on the number and speed of volunteers!)

We will have 4 assembly lines available - so can accommodate 40 -50 volunteers at a time. Some jobs can be done seated; others require standing; and a few heavy lifters are always needed.

The sign up sheet for workers is on the easel in the narthex.

This is a great project for younger folks;

High school students can use this project for their community service hours.

Please share this information with anyone who might be inclined to donate – or to volunteer.

Both money and workers are needed for this to be a successful event.

The more we receive, the more we can give
